

Producer Statement Construction (PS3) Intumescent Coatings to Structural Steel

All sections of this form must be completed

TO BE COMPLETED BY THE PERSON APPLYING THE INTUMESCENT COATING

Applicator's name: Building consent No:

Company:

NZBC performance requirements:

Clause C6

Description of work:

Site address:

I have sighted the above building consent and confirm (*please select box to confirm*) that:

- Intumescent coatings to structural steel have been applied in accordance with the manufacturer's specifications and requirements. The products supplied have been tested in accordance with:-
 - AS1530 Methods for fire tests on building materials and structures (Part 4); or
 - NZBS/BS476 Fire tests on building materials and structures (Parts 21-22)
- Intumescent coatings are compatible with the undercoat
- Copy attached of suppliers material schedule listing products used and thicknesses applied (mandatory)
- Floor plan identifying location of intumescent coatings

I understand that Queenstown Lakes District Council will rely upon this producer statement, for the purposes of establishing compliance with the above building consent.

Producer statements are accepted solely at Queenstown Lakes District Council discretion
