#### **Plan Change 22                      Definition of Visitor Accommodation**

The purpose of the plan change is to amend the current definition of visitor accommodation to the following:

1. Means the use of land/or buildings for short-term, fee paying, living accommodation where the length of stay for any visitor ~~is not greater than 3 months~~ is less than 28 consecutive days at any time. This definition does not exclude the letting of individually owned residential units except where stated below.
2. Includes such accommodation as camping grounds, motor park, hotels, motels, boarding houses, guest houses, backpackers' accommodation, bunkhouses, tourist houses, and lodges.
3. Includes the letting of individually-owned residential units, in particular homestays for more than four guests but does not include homestay accommodation for up to four guests.
4. Includes some centralised services or facilities, such as food preparation, dining and sanitary facilities, conference, bar and recreational facilities if such facilities are associated with visitor accommodation activities set out in within the sense of (1)-(3) above.
5. Excludes the single annual let of a residential unit to guests for a period less than 28 consecutive days for holiday accommodation purposes.

### Notes:
