

QLDC Strategic Library Review - High School Forum / survey outputs

Here are the output from the Wakatipu High School Forum and the results of the Mt Aspiring survey.

As you will see the high school formats were slightly different to the Public Library Forums.

Wakatipu Year 9 students broke into 10 groups, answered the 3 questions and then prioritised them within their group.

Mt Aspiring Students were given forms with the 3 questions to complete. 107 surveys were completed by a range of Year 7 to 13 students.

What would encourage you to use the library more often?

More selection of the type of books
More computers & Wi-Fi just in case you can't find any information in the books. You can use the computers to find information
Separate age group selection 12+. Famous authors come to talk at the library. Consolidation of your library card
A section for people aged 11 - 15 to get books out with bean bags & cushions
An early teen area with bean bags cushions & great books
More magazines
A large area with a 13+ area with couches, bean bags and Music (classical)
A big range of audio books. An area specially for teenagers (11, 12,13,14,15 year olds) with bean bags, computers and lots of books for our age, outside area (courtyard) to read & relax
To get better books out, have fun and to relax and read! Have a bigger teen area for 12+ readers, have a separate computer room. Free Wi-Fi (internet)
If there were more fun nights / days, if they had a bigger area for all the 12 / 13 age group
Movie nights & bean bags everywhere
The books that I want
More sport magazines. A corner were you can sit down with bean bags & couches
Free Wi-Fi
More computers & free Wi-Fi . A larger teenagers corner.
If they had deals or movie nights or free Wi-Fi
Real good furniture & more movies & graphic novels
More magazines about skiing, biking and things like that
A big area for 12+ with tables, chairs & bean bags & brighter coloured walls
Three separate parts of the library: children's, teenagers and adults
They have a room for just researching and a place separate from the children's area so the teens can have their own place
Have more magazines about video games
Free Wi-Fi
More copies of books so less wait time
Put up the top ten books on a separate to have a look at maybe
To get a talker in and talk about books that will be interesting
Get more copies of books so you don't have to wait weeks for books
More books of variety
Free Wi-Fi and get more copies of books so you don't have to wait

If there were more couches
Read books
I use the library all of the time and I can't think of anything wrong with it. Its great
Free Wi-Fi
Able to hire PS3 games
Hire PS3 games
Read faster
Whole series of books
Maybe if the service was a bit better
Able to hire PS3 games
IDK
It would be easier for schools kids not to have to have their card every time
Cuddly environment
Longer due dates so you don't have to re issue them all of the time
free Wi-Fi
Reading time with the movie in the book
If there were lots of couches and bean bags to sit and enjoy your book
Longer due dates 3 1/2 weeks
Not having to take your card
If young adult section had more comfortable options of seating
Nothing
New books
To have the whole services of a book
Free Wi-Fi. That would be helpful. Antique books
More selection of books, make the due date longer
More selection of books, make the due date longer
If it was nicer, new books, due date longer
Free Wi-Fi
couches
Nothing - I use it quiet often anyway
Do more to promote the library like maybe hold some public activities
More things to promote the library activities
If it was easier to find good books I want to read
Comfortable seats to read in
If we didn't have a school library
Free Wi-Fi
Free Wi-Fi & more computers
Free Wi-Fi. More study & books
If we don't have school libraries then that's where we would go to get books

A cool place inside the library to hang out and read

Nothing I think it fine how it is
Lollipops when you leave
More fantasy books
English
Having the book series here I can't seem to find most of the books
If your books didn't go overdue
If your books don't go overdue
More books that I would read
TV
If Library did not have the book I would go to the other library
More lounge areas for older people
Closer to Tarras
More books / open more hours
Always having the book you want and more couches to sit on
More books I like to read
If they had more books to read
Better books
More sports books. Picture books
Having more of the books on offer that you want
More graphic novels

Survey outputs -Mt Aspiring High School

What does the library look like in the future?

More talking and electronic reading books
I think that there will be a room filled with eReaders
More technology EReaders
A room that people can borrow kindles if the book is not in any libraries but you may have to pay extra
A room with kindles / EBooks instead of real books. Movie rooms
More research facilities ad more bean bags & couches
Bigger place with extra furniture
Kindles, movie hire, eBooks, lots of apple computers, movie nights, café!!! And squishy chairs
Maybe have some eReaders around (more technology)
There will be more technology around, it would be twice the size with lots more books and maybe a bigger range of books
A section with free Wi-Fi and technology
Bigger
A really popular place. That will grow population.
Most books on iPads, ebooks
A big room just for new technology with great Wi-Fi, iPads and iPads chargers and fast computer
has separate rooms for different age groups so people who don't want to listen to young kids read out loud don't have to
Full of bean bags & couches with a whole movie room
It will be just computers with books downloaded onto them
Heaps of computer and big areas for different age groups
A computer room with a few separate book search computers. Bigger spaces to read.
A separate room for technology farms & others come in and talk to the people
Replaced computers with tablets
Just the same
I hope it stays as a book cause I like the feeling of having a book in my hand
I want to download a book onto my phone and it will expire
?
Bigger and better
Same as it is now
More computers / free Wi-Fu

I don't know
I don't want the library to change to suit technology, I love books! I would rather hold a book than a kindle
DVD's to buy and books to buy
Bigger & better
PS3 games
The same
The same
Ebooks v can rent easily
Every book will probably be a kindle and it will all be electronic
New books
Maybe electronic books / library's
Downloading stations for kindles or phones
Every book will be an iPads instead of books because you can read off them
More couches and bean bags
Colourful & lots of new books and also keep the old ones
Big screens type or browse for books then download to your phone / iPads/ eBook etc.
Kindles and more computers
More art books
?
Larger
Ebooks for hire
More & more books. Antique books for sale
Electronic (I hope)
All electronic
Ours is gonna be grose & skungy
Kindles for hire
A library
Good I guess I don't understand the question
I love the library the way it is, super relaxing when I go there. Please don't change it.
More electronic, maybe rent out e-books
??
I don't know
The same homely, hardly any electronics so you can still smell the books and don't have electronic waves
A space ship
More electronic / computer based
Good as long as it helps us with the book demands. Wi-Fi

Lots of technology stuff, more to fit into the future
Couches, more books, computers. Lots of space
Couches, computers, books, separate room for studying
iPads, TV room and more books
If free Wi-Fi is added then good
Meh
How do I know? I cannot predict the future.
Bigger
If you build water slides, pretty good
Amazing if you put in water slides, foam, pits, tramps and have free Wi-Fi
More bean bags
Good
I don't know
All electronic
I don't know
?
A big machine
More colourful
Good - the increased amount of books the better the library will be
More books
Kindles in the library to more computers, iPads
There are more computers and iPads and kindles
Very successful
A room with all computers
More books more people
More computers more places to study
There will be more electronic books
More computers and a lot more ebooks
Bigger and more places to sit with more computers
More online books
It will be less popular because of iPads & kindles
Bigger
More bigger and more posters around it
More seating areas like sofas
It will be less popular because people will read on kindles
