1	Lisa	Brown	[REDACTED]	Agree	No	-
2	Chris	Cochrane	[REDACTED]	Disagree	No	Should show uniqueness and close like the rest of NZ.
3	Leea	Hirst	[REDACTED]	Neutral	No	Like the way it is; should allow Wanaka to trade also.
4	Andrew	Edgar	[REDACTED]	Agree	No	Need to meet international visitor expectations by trading.
5	Eddie	Gapper	[REDACTED]	Agree	No	Policy should apply universally unless there is good reason why not and no such reason exists.
6	Dominique	Wylie	[REDACTED]	Agree	No	Should permit trading to provide choice during a big weekend for tourism. Not everyone is religious.
7	Kids' Loop		[REDACTED]	Disagree (?)	Yes	Easter trading is busy with tourist customers who like that they are open.
8	Tanja	Schwindt	[REDACTED]	Agree	No	No difference between Queenstown and Wanaka; shop-owners have high lease costs and the policy will provide the option to trade.
9	Anthony	King	[REDACTED]	Agree	No	A level playing field and positive tourist experience is important across the district.
10	Georgie	Bignell	[REDACTED]	Disagree	No	Workers need a break and should be guaranteed this day off.
11	Andy	Crozier	[REDACTED]	Agree	No	Aligning the policy makes sense as Wanaka is an international tourist destination and current restrictions are out of touch with commercial reality.
12	Shane	Wild	[REDACTED]	Agree	No	Totally support businesses being able to trade through Easter.
13	Krystyna	Glavinovic	[REDACTED]	Disagree	No	Would be simpler and fairer to allow shops in both Wanaka and QT to remain open for Easter.

14	Holly	Munday	[REDACTED]	Agree	No	Good especially for significant events in Wanaka over Easter. Current rule is archaic and closed businesses are a surprise to visitors.
15	Mt Outdoors retail shop		[REDACTED]	Agree	Yes	Should be able to open over Easter as visitors expect this. Staff want to work the stat day but would not deny a staff request for the day off.
16	Guy	Hughes	[REDACTED]	Agree	No	Shops should be allowed to trade as they like; law is out of date.
17	Lynette	Winsloe	[REDACTED]	Agree	No	Shops should be allowed to open on Easter Sunday if they wish to; is expected by tourists and Sunday shopping is the norm.
18	Sarah	Fredric	[REDACTED]	Agree	No	Should be allowed to trade as is a very busy time of year.
19	Gerard	Philip	[REDACTED]	Agree	No	Allowing Sunday trading in Wanaka will level the playing field.
20	Dan	Harman	[REDACTED]	Agree	Yes	Businesses should have freedom to open if they wish provided no pressure is placed on employees.
21	Natalie	Houghton	[REDACTED]	Agree	No	Allow shop opening – closing for religious reasons is for a minority only.
22	Phillip	Bunn	[REDACTED]	Agree	No	Should allow businesses to open if they wish; is a tourist area and allows to service visitors.
23	Emma	Graves	[REDACTED]	Disagree	No	Allows one day that shop employees can be with families; if allow opening will not be the owners who are required to work.
24	Julie	Wallen	[REDACTED]	Disagree	No	Allow retail staff this day off.
25	Roger	Tompkins	[REDACTED]	Agree	No	Support, provided staff who are working are properly compensated.

26	April	Mackenzie	[REDACTED]	Agree	No	All businesses in the QLDC area should be allowed to trade on Easter Sunday.
27	Monika	Fry	[REDACTED]	Agree	No	Wanaka is a tourist town and shutting for a religious festival is outmoded.
28	Simon	Battrick	[REDACTED]	Agree	No	All visitors expect shops to be open longer hours and on public holidays in Queenstown Lakes District especially.
29	Leanne	Saunders	[REDACTED]	Disagree	No	Good to have a day without retailing; provides time to spend with family.
30	Michael	Tierney	[REDACTED]	Agree	No	All shops across the district should be free to trade. Tourism is a dominant activity and Wanaka should not be disadvantaged.
31	Jacou	Vettard	[REDACTED]	Agree	No	Shops should be open and staff paid double.
32	George	Horsburgh	[REDACTED]	Agree	No	All areas should be treated equally. Anachronistic to acknowledge one religious belief but not others.
33	Mark	Wilson	[REDACTED]	Agree	No	Addresses a farcical situation in a largely secular country. Current laws are out of step with modern society which seeks tolerance of all beliefs. Current laws are confusing for tourists and businesses lose potential revenue.
