May it please the Commissioners:

- 1 This memorandum is filed on behalf of the New Zealand Transport Agency ('**Agency**') in relation to Stage 1: Chapter 37 Designations (General) of the Proposed Queenstown Lakes District Plan ('**Proposed Plan**').
- 2 The Agency has reviewed the draft section 42A Hearing Report ('**Report**') by Craig Barr, Senior Planner at Queenstown Lakes District Council, dated 4 September 2017. The Report considers the Agency's late submission which requests seven alterations to its designations be included in the Proposed Plan, and seeks other amendments to Chapter 37.
- 3 The Agency confirms that it agrees with the Report's recommendations.
- 4 The Agency considers that a hearing is not required for this matter.
