

Form 33  
Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To The Registrar of The Environment Court - Christchurch

I, Brigid Margaret Pollock, wish to be a party to the following proceedings:

- ~~ENV-2018-CHC-138~~ 2019-CHC-033
- Dean Hamilton, Lisa Hayden and Mark Hornabrook as Trustees of the Hamilton Hayden Family Trust.

I have an interest in the proceedings that is greater than the interest of the general public as a result of owning land that is adjacent to the appellants property and as such any activity upon that land would directly affect me;

I am not a trade competitor for the purposes of sections 308C or 308CA of the Resource Management Act 1991.

I am interested in all the proceedings.

I oppose the relief sought given the proximity of my property with the land in question. I have serious reservations with respect to the development of rural land in the basin in general, but more specifically in Dalefield. Any development of the land in question would directly affect my enjoyment of my property as I place a considerable importance in maintaining my rural amenity which I have enjoyed with my family since 1970 when I purchased the land.

We agree to participate in mediation or other alternative dispute resolution of the proceedings.

Signed: *M Pollock*
