**Fee Estimate for Consultancy During Design Process For Earthquake Strengthening of Two Stone Chimneys.**

(By email 27 05 2109)

Hi Jackie

I caught up with Steve. He will get back to you with a draft/sketch proposal and potential fees.

**I would/will have spent around 2 to 4 hours on this proposal @ \$65+gst (if it goes ahead).**

I'll wait to hear back from you once you have been able to visit the site and Steve has made his sketch.

Kind Regards

Marcus
