It's election year - do you know a local legend?

This year there will be a local election on Saturday 8 October.

There's only a week to go before candidate nominations close so we're encouraging people to think of stand-out people in their community – local legends – who would make a great Councillor, Community Board Member, or even the next Mayor.

If you know someone who is interested in standing for election, or if you're interested yourself, then check www.qldc.govt.nz/elections for full details

Candidate nomination forms are available on our website and in Council offices. Nominations close 12 August at noon.
