MY SUBMISSION

The specific provisions of the proposal that my submission relates to are:

I OPPOSE all of the proposed Lower Density Suburban Residential re-zoning and urban growth boundary alteration.

MY SUBMISSION

My submission is:

I OPPOSE all of the proposed Lower Density Suburban Residential re-zoning and urban growth boundary alteration.

Clearly state whether you SUPPORT or OPPOSE specific parts of the proposal.

Decision sought:

To decline the rezoning application

Reasons for my submission:

The upper clutha district has been and continues to be under an excessive growth pattern. This is unsustainable due to
a) irreversible environmental damage as a result of over development and poor planning eg runoffs into the Clutha River from Northlake development eg water quality
b) further overcrowding of our already overcrowded community resources (and poor assistance seen in the 10 year District plan)
c) at some point the council/resource management should say "enough" - uncontrolled expansion will not create a better community or environment - the council needs to show leadership.

I wish to join as a s274 party and will be filing a s274 notice with the Environment Court

I do not wish to join as a s274 party
