

SPECIAL LICENCE APPLICATION GENERAL INFORMATION

Sale and Supply of Alcohol Act 2012, Sections 137-150

1

WHO REPORTS ON APPLICATIONS?

Applications are referred to the Police, Licensing Inspector and Medical Officer of Health (the agencies) for consideration; and any of the agencies may require further details in respect of your application. As a result of the needs of the different agencies, there are a range of questions within the application form which are relevant to the agencies e.g. smokefree questions are relevant to the Medical Officer of Health, which will facilitate the processing of your application.

2

WHAT IF BAD WEATHER POSTPONES THE EVENT?

You can still operate under the Special Licence on the day the event is postponed to. You must request a contingency date in your application if you do have a postponement date.

3

DOES A PERSON WITH A MANAGER'S CERTIFICATE HAVE TO BE PRESENT DURING THE EVENT?

In most cases the District Licensing Committee requires the holder of a Manager's Certificate to be on duty, however this is determined on a case by case basis and the District Licensing Committee will require a manager to have experience with the sale of alcohol.

4

CAN I USE ANY TENT OR BUILDING TO HOST MY EVENT?

A tent or marquee used for public assembly with a floor area exceeding 100m² requires a building consent. Please contact the Building Control Officer in your area of the district for advice on Building Act compliance if you propose to use a building not designed as a place of public assembly (for example an empty building or shed). Your application may also be sent to the Fire Authority for their information.

5

ARE THERE ANY RESTRICTIONS ON THE TYPE OF EVENT THAT CAN BE APPLIED FOR?

Yes, examples that are likely to be opposed by the reporting agencies are contrived events for the purpose of trading when the legislation otherwise requires the premises to be closed (e.g. Christmas day).

6

GOOD ORDER AND AMENITY

Under the Sale and Supply of Alcohol Act 2012, as a licensee you must consider the matter of the 'amenity and good order' of your locality, and whether it will be impacted negatively by the existence of your licence, e.g. noise, litter, patron disorder etc.

The Alcohol Regulatory Licensing Authority (ARLA) expects that a suitable licensee will be able to demonstrate a thorough knowledge of the area surrounding their premises, what facilities such as schools and churches are present and an understanding of its demography.
