

## 17 Airport Zone

Please note: Variations to parts of this chapter have been decided by Council on 7 March 2019 as part of Stage 2 of the PDP. You can view the Stage 2 Decisions, appeals and section 274 notices on our website. The appeal and section 274 periods for the Stage 1 and 2 Decisions have closed.

*This table identifies provisions subject to and consequentially affected by appeals:*

Provision Subject To Appeal (identified in red text in the relevant chapter/s)	Appellant Court Number	Consequentially Affected Provisions
Section 17.1	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	Policies 17.2.2.2 and 17.2.2.3
Policy 17.2.2.2	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Policy 17.2.2.3	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Objective 17.2.3	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Policy 17.2.3.2	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Rule 17.4.3	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Rule 17.6.5	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Rule 17.7.4	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	
Rule 17.7.5	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	

*This table identifies new provisions sought to be added:*

Appellant Court Number	Provision/s Sought to be Added into Chapter 17
Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	Reinstate notified Policy 17.2.1.3 as follows: <u>Zone sufficient land to meet the foreseeable future requirements of activities that support or complement the functioning of Queenstown Airport.</u>
Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	Insert a new clarification to provision 17.3.2 interpreting and applying the rules which clarifies that provision for Airport and Airport Related Activities with the Airport Zone takes precedence and prevails over general provisions set out in Chapter 30.
Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	Insert a new rule into Table 1 which provides for farming as a permitted activity at Queenstown Airport.
Queenstown Airport Corporation Limited ENV-2018-CHC-093	<del>Reinstate notified Rule 17.5.8 relating to acoustic treatment of Visitor Accommodation.</del> Withdrawn
Jeremy Bell Investments Limited ENV-2018-CHC-062	Rezone land at the junction of Wanaka Luggate Highway and Mt Barker Road from Rural Zone to a new Wanaka Airport Mixed Use Zone (being land held in CFR OT3C/1134 plus some immediately adjacent land, to a total of 14.54 ha, as per the map attached to the submission); plus include a similar objective, policy and rule framework to that in the notified Chapter 17.

*Note: the annotations in this chapter reflect the Council's interpretation of the provisions affected by appeals.*

## 17.1 Zone Purpose

The purpose of the Airport zone is to provide for a range of airport and airport related activities at Queenstown and Wanaka Airports and to recognise the unique role of the airports in providing for the social and economic wellbeing of the community.

Queenstown Airport provides facilities for the transportation of people and freight and is a key asset to the District in terms of supporting the tourism industry and the needs of local and business travellers.

Queenstown Airport acts as an important gateway into the District and facilitates access and economic activity in the local and broader regional economies.

The Airport's main function is for domestic and international scheduled passenger movements as well as freight. Queenstown Airport is recognised as a nationally significant asset in the light of its significant contribution to the tourism industry. Queenstown Airport also provides facilities and infrastructure for helicopter, flightseeing and general aviation operations. It is also a critical provider of emergency services and is a lifeline utility under the Civil Defence Emergency Management Act 2002.

International tourism is New Zealand's largest foreign exchange earner and the Queenstown Lakes District tourism industry is heavily reliant on air transport. Queenstown Airport is a significant source of employment for the District.

Wanaka Airport is Regionally Significant Infrastructure to the District and is an important commercial and recreational aviation hub for the Upper Clutha. Wanaka Airport has capacity for scheduled and chartered air transport services.

The Airport zone applies to all land used for airport and airport-related activities at Queenstown and Wanaka Airports. The zone rules apply a range of performance standards to manage the effects of

land uses carried out at the Airports on amenity values. At Queenstown Airport, the airport is separated into two precincts.

The objectives and provisions for Wanaka Airport reflect the more remote location of Wanaka Airport outside of the Wanaka Urban Growth Boundary and seek to avoid adverse effects from inappropriate commercial activities locating at the Airport. The strategic importance to the District of both airports and the finite nature of the land resource for both airports is also recognised in the Airport zone provisions.

Section 17.1 and relief sought	Appellant Court Number	Consequentially Affected Provisions
<p>Amend paragraphs 6 and 8 of section 17.1 Purpose Statement as follows:</p> <p>Wanaka Airport is Regionally Significant Infrastructure to the District and is an important commercial and recreational aviation hub for the Upper Clutha. Wanaka Airport <u>has capacity for may one day accommodate</u> scheduled and chartered air transport services.</p> <p>...</p> <p>The objectives and provisions for Wanaka Airport reflect the more remote location of Wanaka Airport outside of the Wanaka Urban Growth Boundary and seek to avoid adverse effects from inappropriate commercial activities locating at the Airport. The strategic importance to the District of both airports and the finite nature of the land resource for both airports is also recognised in the Airport zone provisions.</p>	<p><del>Queenstown Airport Corporation Limited</del> ENV-2018-CHC-093 (consent order issued)</p>	<p>Policies 17.2.2.2 and 17.2.2.3</p>

## 17.2 Objectives and Policies

**17.2.1 Objective – Queenstown Airport is maintained as nationally significant infrastructure and a generator of nationally and regionally significant economic, social and cultural benefits.**

### Policies

- 17.2.1.1 Provide for those aviation activities necessary to enable Queenstown Airport to operate in a safe and efficient manner.
- 17.2.1.2 Provide for a range of Airport Related Activities where these are associated with and principally serve, the function and operation of, Queenstown Airport.
- 17.2.1.3 Provide opportunities for Airport Related Activities, Freight Facilities and Industrial Activities within Precinct B at Queenstown Airport where:
  - a. The activity efficiently utilises the land resource at Queenstown Airport; and

- b. The activity and associated built form are compatible with the overall urban form and amenity relationships of adjacent zones.

17.2.1.4 For Airport Related Activities, Freight Facilities and Industrial Activities within Precinct B at Queenstown Airport, ensure the traffic generation, the location, design, and layout of access, manoeuvring, car parking spaces and loading spaces avoids or mitigates adverse effects on the safety and efficiency of the transportation network within and beyond the site and provides, as appropriate, for the safe movement of pedestrians taken into account:

- a. The relative proximity of other accesses or road intersections and the potential for cumulative adverse effects, including discouraging direct vehicle access onto Hawthorne Drive for freight and industrial activities; and
- b. The ability to mitigate any potential adverse effect of the access on the safe and efficient functioning of the frontage road.

17.2.1.5 Except as provided for in 17.2.1.3, discourage non-airport related activities within Precinct B:

- a. That compromise the long-term availability of land for Airport or Airport Related Activities;
- b. That give rise to adverse effects on the safety and efficiency of the transportation network;
- c. That are incompatible with the overall urban form relationships of the adjacent zones; and
- d. By limiting the nature, scale and extent of commercial activities, to those which service the reasonably foreseeable needs of travellers and workers associated with Airport Activities or Airport Related Activities.

**17.2.2 Objective – Wanaka Airport remains a key strategic infrastructural asset supporting the well-being of the District.**

#### Policies

17.2.2.1 Enable airport activities at Wanaka Airport which can operate in a safe and efficient manner.

17.2.2.2 Provide for a range of Airport Related Activities where these are associated with and principally serve, the function and operation of Wanaka Airport, and that (either individually or cumulatively):

- a. are ancillary to and support part of the operation of an Airport Activity; and
- b. do not adversely affect the key local service and employment function of Wanaka Town Centre or other commercially zoned areas within the District.

Policy 17.2.2.2 and relief sought	Appellant Court Number	Consequentially Affected Provisions
Delete Policy 17.2.2.2 and replace with the following new wording: Policy 17.2.2.2: <u>Enable a range of airport related activities provided they are ancillary to the use of the Airport.</u>	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	

## 17.2.2.3

Policy 17.2.2.3 and relief sought	Appellant Court Number	Consequentially Affected Provisions
Delete Policy 17.2.2.3 and replace with the following new wording: <u>of activities that are incompatible with the ongoing operation and functioning of Wanaka Airport.</u>	Queenstown Airport Corporation Limited ENV-2018-CHC-093	

17.2.2.4 Ensure buildings and activities are adequately serviced with a water supply for fire-fighting purposes as well as provision of potable water, sewage treatment and disposal.

17.2.2.5 Discourage non-airport related activities at Wanaka Airport:

- a. That compromise the long-term availability of land for Airport or Airport Related Activities;
- b. That give rise to adverse effects on the safety and efficiency of the transportation network;
- c. By limiting the nature, scale and extent of commercial activities, to those which service the reasonably foreseeable needs of travellers and workers associated with Airport Activities or Airport Related Activities.

**17.2.3 Objective –An acceptable level of noise amenity and high levels of general amenity is provided for those using Queenstown and Wanaka Airports and on neighbouring land, while taking into account the Airport’s role and function.**

Objective 17.2.3 and relief sought	Appellant Court Number	Consequentially Affected Provisions
Amend Objective 17.2.3 as follows: Airport Activities and Airport Related Activities are provided for at Queenstown and Wanaka Airports while maintaining an acceptable level of noise amenity, and high levels of general amenity for those using the airports and for those residing on neighbouring land.	Queenstown Airport Corporation Limited ENV-2018-CHC-093 (consent order issued)	

**Policies**

17.2.3.1 Maintain Queenstown Airport as a memorable and attractive gateway to the District.

17.2.3.2 Manage adverse effects on amenity values arising from the on-going development, use and maintenance of Queenstown and Wanaka Airports.

17.2.3.3 Avoid the establishment of activities that are incompatible with the ongoing operation and functioning of Queenstown or Wanaka Airports.

Policy 17.2.3.2 and relief sought	Appellant Court Number	Consequentially Affected Provisions
Amend Policy 17.2.3.2 as follows: Avoid the establishment of activities that are incompatible with the ongoing operation and functioning of Queenstown <u>or Wanaka</u>	Queenstown Airport Corporation Limited ENV-2018-CHC-093	

Airports.	(consent order issued)	
-----------	------------------------	--

- 17.2.3.4 Ensure development within Precinct B at Queenstown Airport achieves a standard of amenity reflective of the role and function of the Airport, by:
- Maintaining views towards the face of the Remarkables, Peninsula Hill and Cecil Peak through defined viewshafts;
  - Maintaining visual dominance, visual interest and activation of built form at the adjacent road and zone frontages and the interface with the historic McBride Farm Buildings;
  - Managing the location and screening of outdoor loading, services and storage areas and car parking areas at the adjacent road and zone frontages and the interface with the historic McBride Farm Buildings;
  - Enhancing accessibility for active travel modes and provided for safe vehicle access;
  - Incorporating Crime Prevention through Environmental Design (CPTED) principles.

## 17.3 Other Provisions and Rules

### 17.3.1 District Wide

Attention is drawn to the following District Wide chapters.

1 Introduction	2 Definitions	3 Strategic Direction
4 Urban Development	5 Tangata Whenua	25 Earthworks
26 Historic Heritage	27 Subdivision	28 Natural Hazards
29 Transport	30 Energy and Utilities	31 Signs
32 Protected Trees	35 Temporary Activities and Relocated Buildings	36 Noise
37 Designations	District Plan web mapping application	

### 17.3.2 Interpreting and Applying the Rules

- 17.3.2.1 A permitted activity must comply with all the rules listed in the relevant Activity and Standards tables.
- 17.3.2.2 Where an activity does not comply with a Standard listed in the relevant Standards table, the activity status identified by the 'Non-Compliance Status' column shall apply.
- 17.3.2.3 Where an activity breaches more than one Standard, the most restrictive status shall apply to the Activity.

- 17.3.2.4 The activities listed in Table 1 and the standards contained in Table 2 apply to Queenstown Airport.
- 17.3.2.5 The activities listed in Table 3 and the standards contained in Table 4 apply to Wanaka Airport.
- 17.3.2.6 Activities undertaken within, or within the immediate environs of, the Queenstown airport terminal facility are exempt from complying with any minimum parking requirement in Chapter 29.
- 17.3.2.7 The status of any Plantation Forestry will be determined by the Resource Management (National Environmental Standards for Plantation Forestry) Regulations 2017.
- 17.3.2.8 The following abbreviations are used within this Chapter.

P	Permitted	C	Controlled
RD	Restricted Discretionary	D	Discretionary
NC	Non Complying	PR	Prohibited

## 17.5 Rules - Standards Airport zone - Queenstown

Table 2	Standards for activities located in the Queenstown Airport Mixed Use Zone	Non-compliance status:
17.5.1	<b>Maximum Building Coverage – Precinct A</b>  75% of the site area	RD  Discretion is restricted to:  a. The effects on urban design outcomes; and  b. The positive economic, social and/or cultural effects that may be generated from the proposed activity.
17.5.2A	<b>Minimum Buildings Setback – Precinct A</b>  17.5.2A.1 Where the site adjoins the Residential zone the setback shall be 5m.  17.5.2A.2 The setback for all other zones shall be 3m.	RD  Discretion is restricted to:  a. The effects on urban design outcomes;

Table 2	Standards for activities located in the Queenstown Airport Mixed Use Zone	Non-compliance status:
	<p>17.5.2A.3 The setback from any public road shall be 5m.</p> <p>Except: Security fencing around the perimeter of Queenstown Airport and jet blast fences are not subject to the building setback standards above.</p>	<ul style="list-style-type: none"> <li>b. The positive economic, social and/or cultural effects that may be generated from the proposed activity;</li> <li>c. The external appearance and visual dominance of the building as viewed from the street and adjacent properties;</li> <li>d. Amenity and character of the streetscape;</li> <li>e. Access to sunlight, shading and privacy of adjoining properties; and</li> <li>f. Views to and from Outstanding Natural Features and Landscapes.</li> </ul>

17.5.2B	<p><b>Minimum Buildings Setback – Precinct B</b></p> <p>Buildings shall be set back in accordance with the Airport Development Structure Plan.</p> <p>Security fencing around the perimeter of Queenstown Airport and jet blast fences are not subject to the building setback standards in the Airport Development Structure Plan.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ul style="list-style-type: none"> <li>a. External appearance, character and visual dominance of the building as viewed from road frontages and adjacent zones, in relation to: <ul style="list-style-type: none"> <li>i. Setbacks, modulation and articulation of facades and roof lines;</li> <li>ii. Whether the setback encroachment is offset by a reduction in building height and building frontage; and</li> <li>iii. Landscaping to improve amenity and visual integration;</li> </ul> </li> <li>b. Personal safety and crime prevention, including location of active building edges;</li> <li>c. Access to sunlight, shading and privacy of adjoining properties; and</li> <li>d. Purpose of the building and operational requirements.</li> </ul>
17.5.3A	<p><b>Maximum Building Height – Precinct A</b></p> <p>The maximum building height of all buildings shall be 15m.</p> <p>The limit specified above shall not apply to control towers, lighting towers, hangars or meteorological, navigation or communication masts and aerals which shall not be subject to a height limit.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ul style="list-style-type: none"> <li>a. The effects on urban design outcomes,</li> <li>b. Visual effects;</li> <li>c. The positive economic, social and/or cultural effects that may be generated from the proposed activity;</li> <li>d. The external appearance and visual dominance of the building as viewed from the street and adjacent properties;</li> </ul>

		<ul style="list-style-type: none"> <li>e. Amenity and character of the streetscape;</li> <li>f. Access to sunlight, shading and privacy of adjoining properties; and</li> <li>g. Views to and from Outstanding Natural Features and Landscapes.</li> </ul>
<b>17.5.3B</b>	<p><b>Maximum Building Height – Precinct B</b></p> <p>The maximum building height shall be 10m.</p> <p>The limit specified above shall not apply to control towers, lighting towers or meteorological, navigation or communication masts and aerals which shall not be subject to a height limit.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ul style="list-style-type: none"> <li>a. Extent and alignment of views to and from the Outstanding Natural Landscapes of the Remarkables, Peninsula Hill and Cecil Peak;</li> <li>b. External appearance, character and visual dominance of the building as viewed from road frontages and adjacent zones , in relation to; <ul style="list-style-type: none"> <li>i. Setbacks, modulation and articulation of facades and roof lines;</li> <li>ii. Variation in building height and building frontage width;</li> <li>iii. Landscaping to improve amenity and visual integration; and</li> <li>iv. external colours, materials and finishing of buildings;</li> </ul> </li> <li>c. Access to sunlight, shading and privacy of adjoining properties; and</li> <li>d. Purpose of the building and the operational requirements.</li> </ul>

17.5.4	<p><b>Continuous Building Length and separation distance – Precinct B</b></p> <p>a. Where the aggregate length along one elevation of a building exceeds 30m, measured parallel to the zone boundary, any part of the buildings which exceeds the maximum building length shall be stepped back by a depth of 3m for a distance of at least 6m.</p> <p>b. The separation distances between buildings shall be 6m.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <p>a. External appearance, character and visual dominance of the building as viewed from road frontages and adjacent zones; and</p> <p>b. Purpose of the building and the operational requirements.</p>
17.5.5	<p><b>Recession Plane – Precinct A</b></p> <p>On any boundary that directly adjoins a Residential zone a recession plane commencing at ground level on the boundary and angled at 45° shall be applied. No building shall exceed the height of the recession plane at any point.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <p>a. The effects on urban design outcomes;</p> <p>b. Visual effects;</p> <p>c. The positive economic, social and/or cultural effects that may be generated from the proposed activity;</p> <p>d. The external appearance and visual dominance of the building as viewed from the street and adjacent properties;</p> <p>e. Amenity and character of the streetscape;</p> <p>f. Access to sunlight, shading and privacy of adjoining properties; and</p> <p>g. Views to and from Outstanding Natural Features and Landscapes.</p>
17.5.6	<p><b>Viewshaft – Precinct B</b></p> <p>a. Except for security and jet blast fences, no building, structure, or outdoor storage, shall be established within any viewshaft identified in the Airport Development Structure Plan.</p> <p>b. Viewshafts shall have a minimum width of 20m; and</p> <p>c. Planting located within viewshafts shall not exceed 1m in height at maturity.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <p>d. Extent and alignment of views to and from Outstanding Natural Features and Landscapes;</p> <p>e. Use and alignment of vegetation to focus on views;</p>

		<p>f. Design, appearance and siting of buildings, structures and outdoor storage; and</p> <p>g. Purpose of the building or structure and the operational requirements.</p>
<b>17.5.7A</b>	<p><b>Landscaping – Precinct A</b></p> <p>At Queenstown Airport, those properties fronting Lucas Place and Hawthorne Drive to the west of Copper Beech Ave shall provide and maintain a landscape strip extending the full length of the road boundary, except across vehicle and pedestrian entranceways. The strip shall be not less than 1m deep and shall have an average depth of 3m over its entire length.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <p>a. The effects on urban design outcomes and the visual effects of reduction in landscaping; and</p> <p>b. The functional and operational requirements of the site.</p>
<b>17.5.7B</b>	<p><b>Landscaping – Precinct B</b></p> <p>a. Landscaping strips shall be established in the locations and with the minimum depths identified in the Airport Development Structure Plan (except for vehicle crossing points or pedestrian access).</p> <p>b. All vegetation must be selected from the specified plant list in section 17.10 and include specimens capable of reaching a minimum of 5m in height, except where Designation 4 requires a lower height limit.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <p>a. External appearance and visual dominance of buildings as viewed from the road and adjacent zones, in relation to:</p> <p>i. Setbacks, modulation and articulation of facades and roof lines;</p> <p>ii. Variation in building height and building frontage width; and</p> <p>iii. External colours, materials and finishing of buildings;</p> <p>b. The location and screening of loading, service and storage areas;</p> <p>c. Personal safety and crime prevention, including location of active building edges; and</p> <p>d. The operational requirements of the building, structure or activity</p>

		that results from the non-compliance.
<b>17.5.8</b>	<p><b>Building Design and Glare</b></p> <p>17.5.8.1 The exterior of buildings situated within the landside area at Queenstown Airport shall be designed so that roof and wall colours are limited to a maximum reflectivity of 36%, except that trims, highlights and signage totalling up to 10% of the façade area may exceed this level and be of contrasting colour.</p> <p>17.5.8.2 Any landside activity which requires the lighting of outdoor areas shall ensure that direct or indirect illumination does not exceed 10 lux at the windows of residential buildings in any adjacent Residential zone.</p> <p>17.5.8.3 All fixed exterior lighting on buildings associated with Airport related activities shall be directed away from adjacent sites and roads.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ol style="list-style-type: none"> <li>The extent of adverse effects from lighting on Residential Activities;</li> <li>The extent to which the lighting is required for operational purposes;</li> <li>The effects on urban design outcomes;</li> <li>Visual effects; and</li> <li>The purpose of the building and the operational requirements of the activity it contains.</li> </ol>
<b>17.5.8</b>	<p><b>Advertising or promotional signage – Precinct B</b></p> <p>In relation to Rule 17.4.3.1 the following permitted activity standards apply:</p> <p>17.5.8.1 The maximum area of any single sign shall be 18m<sup>2</sup>.</p> <p>17.5.8.2 The maximum height of any single sign shall be 9m.</p> <p>17.5.8.3 No more than eight (8) signs shall be located within Precinct B.</p> <p>17.5.8.4 There shall be a minimum distance of 50m between any sign.</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ol style="list-style-type: none"> <li>Design and content;</li> <li>Location;</li> <li>Landscape and visual amenity effects including cumulative effects; and</li> <li>Dominance effect.</li> </ol>
<b>17.5.9</b>	<p><b>Building and business identification signage – Precinct B</b></p> <p>In relation to Rule 17.4.3.3 the following permitted activity standards apply to building or business identification signage:</p> <p>17.5.9.1 individual letters and symbols do not exceed 750mm;</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ol style="list-style-type: none"> <li>Design and content;</li> <li>Location;</li> <li>Landscape and visual amenity effects including cumulative effects; and</li> <li>Dominance effect.</li> </ol>

17.5.9.2	the background is not differentiated from the fabric and colour of the rest of the façade;	
17.5.9.3	signs do not extend above façade height.

<b>17.7.6</b>	<p>Air shows</p> <p>17.7.6.1 The air show (including set up, flying programme and pack down) shall be limited to 12 days inclusive.</p> <p>17.7.6.2 The flying programme for the air show shall be limited to a</p>	<p>RD</p> <p>Discretion is restricted to:</p> <ul style="list-style-type: none"> <li>a. adverse amenity effects for surrounding landowners;</li> <li>b. measures to avoid, remedy or mitigate the adverse amenity effects; and</li> </ul>						

	<p>period of not more than five days.</p> <p>17.7.6.3 The air show event must not operate outside of the hours of 0800 and 2000. Set up and pack down outside of these hours is permitted.</p> <p>17.7.6.4 The air show operator shall hold a Council approved plan detailing the noise, environmental management and traffic (vehicle and pedestrian movements, public transport, parking and management of adverse effects on operation of the State Highway) aspects of the air show. A report containing the draft plan shall be submitted to the Council for approval, no later than 30 working days prior to the air show taking place.</p> <p>The noise standards in Rule 36.5.14 shall not apply to Air Shows complying with the above standards.</p>	<p>c. adverse traffic and transport effects including effects from parking.</p>
--	---	---

## **17.8 Rules – Non-Notification of Applications**

- 17.8.1** All applications for controlled activities shall not require the written approval of other persons and shall not be notified or limited notified.

## **17.9 Non Regulatory Methods**

- 17.9.1** Council will use advocacy to promote good urban design and form at Queenstown Airport.
- 17.9.2** As the major requiring authority in the Airport zone at Queenstown, the Queenstown Airport Corporation will adopt best practice urban design and urban design led principles at Queenstown Airport.
- 17.9.3** The Queenstown Airport Corporation shall prepare an urban design guideline for the Queenstown Airport Use zone. The urban design guideline shall promote a built form and character which maintains the Airport and its surrounds as an attractive gateway to the district.

Indicative Planting List

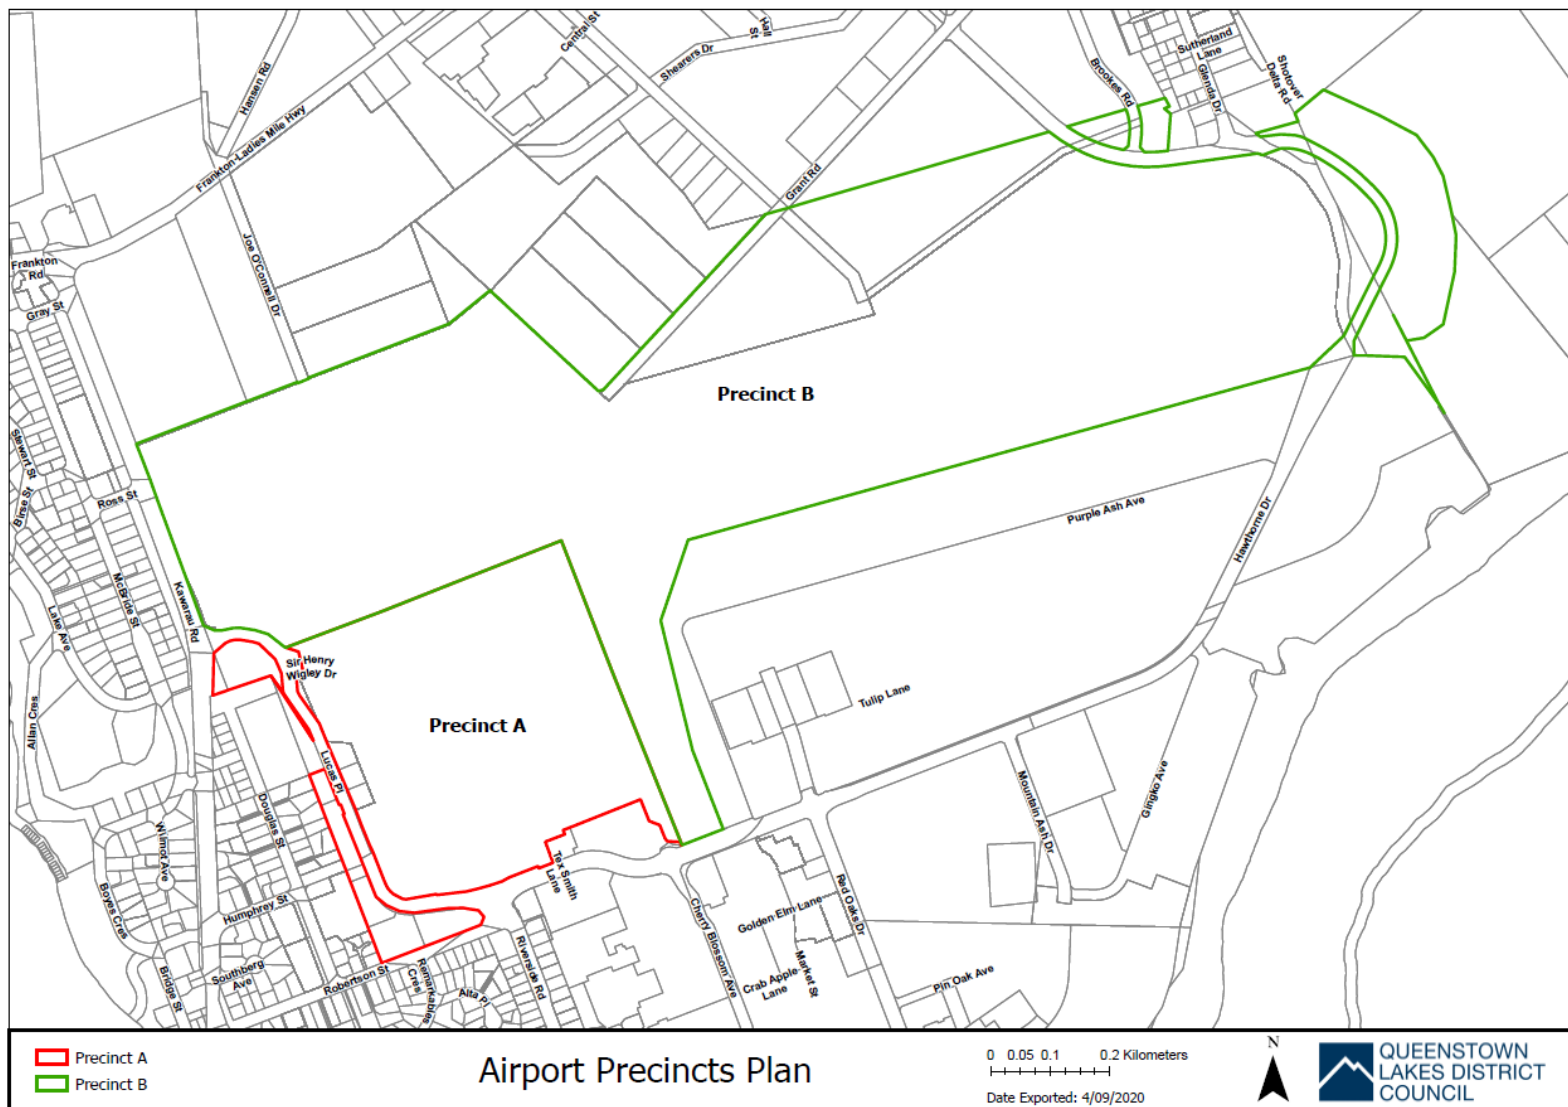

Botanic Name	Common Name	Height (m)
<b>Trees (Native)</b>		
<i>Griselinia littoralis</i>	Papauma/broadleaf	5 – 10
<i>Olearia paniculata</i>	Golden akeake	4
<i>Pittosporum eugenoides</i>	Tarata/lemonwood	8 – 12
<i>Pittosporum tenuifolium</i> 'silversheen'	Pittosporum cultivar	3
<i>Plagianthus regius</i>	Manatu/ribbonwood	15
<i>Pseudopanax crassifolius</i>	Lancewood	10
<i>Pseudopanax ferox</i>	Fierce lancewood	5
<i>Podocarpus laetus</i>	Mountain totara	20
<i>Sophora microphylla</i> *	South island kowhai	8
<b>Trees (Exotics)</b>		
<i>Ulmus</i> sp., elm		
<i>Ulmus parvifolia</i>	Chinese Lacebark Elm	15
<i>Ulmus procera</i> 'Louis van Houtte'	Golden Elm	10
<i>Ulmus parvifolia</i> 'Frontier'	Chinese Lacebark Elm	8
<i>Ulmus carpinifolia</i> 'Variegata'	Smooth Variegated Elm	15
<i>Ulmus gabra</i> 'horizontalis'	Weeping Wych	6
<i>Fagus sylvatica</i>	European beech	25
<i>Quercus palustris</i>	Pin Oak	20
<b>Shrubs (Native)</b>		
<i>Hebe</i> sp.		
<i>Coprosma crassifolia</i>		3
<i>Coprosma propinqua</i>	Mingimingi	3
<i>Coprosma rugose</i>		3
<i>Corkia cotoneaster</i>	Korokia	3
<i>Muehlenbeckia astonii</i>	Shrubby tororaro	2 – 3
<i>Pachystegia insignis</i>	Marlborough rock daisy	0.9
<i>Pittosporum</i> 'golfball'	Dwarf Pittosporum	0.5
<i>Olearia lineata</i>		3
<i>Sophora prostrata</i>	Dwarf kowhai	2
<i>Veronica albicans</i>	Hebe	0.5
<i>Veronica</i> 'emerald green'		0.5
<i>Veronica</i> [Hebe] evenosa	Tararua hebe	2
<b>Shrubs (Exotic)</b>		
<i>Azalea</i> sp. *	Rhododendron	
<i>Camellia</i> sp. *		
<i>Escallonia</i> sp.		
<i>Photinia</i> sp.		
<i>Pieris</i> sp.		
<i>Rhododendron</i> sp. *		
<i>Viburnum</i> sp.		
<i>Cornus alba</i> 'Siberica'	Red-barked dogwood	

<b>Groundcovers, Grasses &amp; Herbs (Native)</b>		
<i>Acaena novae-zelandiae</i>	Red bidibid	
<i>Aciphylla subflabellata</i>	Taramea/fine speargrass	
<i>Anemanthele lessoniana</i>	Wind grass, gossamer grass	
<i>Astelia sp.</i>	NZ bush lily	
<i>Austroblechnum penna-marina</i>	Little hard fern	
<i>Carex testacea</i>	Speckled sedge / trip me up	
<i>Carex uncinata</i>	Hook grass	
<i>Chinochloa favicans</i>	Dwarf toetoe	
<i>Chinochloa rubra</i>	Red tussock	
<i>Coprosma acerosa</i> 'red rocks'	Prostrate coprosma	
<i>Libertia ixiodes</i>	Native NZ iris	
<i>Libertia peregrinans</i>	NZ iris	
<i>Libertia</i> 'Taupo blaze'	Libertia	
<i>Muehlenbeckia axillaris</i>	Mat pohuehue	
<i>Phormium cookianum</i> *	Mountain flax	
<i>Poa cita</i>	Silver tussock/wiwi	
<i>Poa colensoi</i>	Blue tussock	
<i>Scleranthus uniflorus</i>		
<b>Groundcovers &amp; Grasses (Exotics)</b>		
<i>Ajuga reptans</i>	Carpet bugle	
<i>Bergenia cordifolia</i>	Heartleaf bergenia	
<i>Grevillea sp.</i>		
<i>Lavendula sp.</i>	Lavender	
<i>Nandina domestica</i> 'Firepower'	Nandina	
<b>Climbers – Native</b>		
<i>Clematis paniculata</i>	Puawananga/white clematis	
<i>Parsonia capsularis</i>	Native jasmine	

\*(not to be mass planted)
