Proposal to dispose of land at Queenstown Events Centre and Frankton Golf Centre

Queenstown Lakes District Council has commenced consultation on a proposal to dispose of land at Queenstown Events Centre and Frankton Golf Centre.

What's proposed?

The proposal is to potentially dispose of parts of the Queenstown Events Centre (QEC) and adjoining Frankton Golf Centre (FGC) to Waka Kotahi New Zealand Transport Agency.

The Crown through the Department of Conservation (DOC) owns portions of the land affected by this proposal, which includes approximately 2,493m² of the QEC land and approximately 8,230m² of FGC land.

The acquisition will support delivery of part of the Government funded \$115M NZUP Queenstown Package, which includes upgrades along State Highway 6 and 6A, to provide dedicated public transport infrastructure and support people to choose more environmentally friendly ways to travel.

The acquisition of land at Frankton Golf Centre will require some minor modifications to the golf facility. Full details are included in the Statement of Proposal.

Get informed

A Statement of Proposal and a range of supporting information is available at the following locations:

- Online letstalk.qldc.govt.nz
- At Council offices and libraries across the Queenstown Lakes District
- At the Queenstown Events Centre and Frankton Golf Centre
- By emailing services@qldc.govt.nz to request a copy

How to make a submission:

Anyone with an interest in this proposal is invited to make a submission as part of the decision making process. There are a number of ways to make a submission:

- Head to letstalk.qldc.govt.nz and complete the online submission form. Please note, you will need to register before being able to give feedback.
- Post to 'QEC land disposal submission', Queenstown Lakes District Council, Freepost 191078, Private Bag 50072, Queenstown 9348.
- Email your submission to letstalk@qldc.govt.nz - please include the subject line 'QEC land disposal submission'.

Submissions will close at 5.00pm on 14 July 2022.

A submissions hearing will be held in Tāhuna Queenstown in August 2022. Final details for the hearing will be confirmed as soon as possible and may be held online via Zoom.

This notice is in accordance with the Local Government Act 2002.

Proposal to increase investment in proposed community drinking water scheme for Cardrona Valley

Queenstown Lakes District Council has commenced consultation on a proposal to increase budgets and debt recovery required to invest in a Cardrona Valley community water supply scheme, in partnership with the investors of Mount Cardrona Station.

What's proposed?

The proposal is to revise the budget included in the 2021-2031 Ten Year Plan up from \$8.1M (with a further \$1.5M staged outside the ten-year window) to an estimate of \$17.2M.

The proposal also requires a corresponding increase to the development contributions to reflect the capital cost estimates and required debt recovery, from \$8,490 per dwelling equivalent to \$16,490 in the 2021 Development Contributions Policy. This excludes properties in the Mount Cardrona Station zone which are not eligible for the 'Small Scheme Subsidy' of 20% reduction on development contributions. Properties within this zone would be charged \$20,070. Further details on the proposed Development Contribution and rating impact can be read in the Statement of Proposal.
