

# Queenstown Indian Community

## About us

Queenstown Indian Community (QIC) is an unincorporated community-led group dedicated to supporting and connecting the Indian community in Queenstown and the wider Queenstown Lakes District.

Established in 2015, QIC aims to foster unity, cultural celebration, and mutual support among residents, newcomers, and families of Indian origin.

Our mission is to provide a welcoming platform where Indian individuals and families feel supported, connected, and represented, while also promoting cultural understanding within the wider Queenstown Lakes community.

## Our Queenstown Lakes community

The Queenstown Indian Community has around 1,500 members living across Queenstown, Wānaka and surrounding areas, including Cromwell.

Our purpose is to connect, celebrate and share Sikh and Hindu cultural and religious traditions, including important festivals and events.

## Our events and activities

The Queenstown Indian Community:

- » Provides general guidance and support to Indian residents, including newcomers settling in the district.
- » Organises cultural and religious events, such as Maha Shivratri and other community gatherings.
- » Hosts informal get-togethers and discussions on matters affecting the Indian community.
- » Communicates with local government and other local organisations regarding community matters.
- » Collaborates with and supports other Indian and multicultural organisations when required.

## Keep connected
