

**Table 1: QLDC Winter Maintenance Service Levels**

Item Description	Priority 1a Roads	Priority 1b Roads	Secondary Roads	Priority Footpaths
Ice Gritting	Shall be maintained open and gritted when necessary between 7.00am and 10.00pm.		Once priority roads are completed these shall be gritted between 8.00am and 6.00pm.	To be undertaken when an RFS is initiated, instruction from QLDC is received or where deemed necessary by the Incident Management Team as the result of a winter related event.
Snow Clearing	Snow clearance shall start as soon as snow settled. Effort to prevent snow accumulation will focus on these roads ahead of all others.  Thereafter priority roads shall be maintained to be open between 7.00am and 10.00pm or as agreed between Council and contractor.	Snow clearance shall start as soon as snow settles and thereafter priority roads shall be maintained to be open between 7.00am and 10.00pm.	Shall be maintained between 8.00am and 6.00pm – no requirement to snow clear as soon as snow settles	Snow clearance shall start as soon as snow settles. Priority footpaths to be kept clear of ice.
CMA	To be applied in accordance with the agreed schedule at approximately 7 day intervals, weather dependant.			
Removal of Ice Grit	Grit is to be removed from the roads when the likelihood of frost or ice has passed and such that it does not cause a hazard to the travelling public. Grit is removed, where possible, on a three to five day cycle. However after a snow event the clear up can take up to two Weeks
