

My name is Jennie Semple – I reside at 13 Watties Track. I made a further submission in relation to the proposed rezone at Atley Road in Arthurs Point. I will be speaking to my further submission made in April 2022. But wanted to also add the following for panel consideration:

I would invite you to please click onto the following you tube links to get an idea of the vista and landscape that is so important to me and my family. These are very short clips of just a few minutes but will give the panel an idea of the ONL landscape from my perspective that ought to be preserved. You can copy and paste them into the search function on the you tube website. I would be grateful if these could be shown to the panel before I speak:
