

## Decision on District Plan Change

On 9 November 2010 the Queenstown Lakes District Council made a decision on the following plan change to the Queenstown Lakes District Plan:

### **Plan Change 35: Queenstown Airport Corporation Private Plan Change**

The purpose of the plan change (as originally notified) is:

- (a) To introduce a 65 dBA Air Noise Boundary and a 58dBA Sound Insulation Boundary into the District Plan;
- (b) To extend the existing 55 dBA Outer Control Boundary;
- (c) To introduce a new Night Time Noise Boundary into the District Plan;
- (d) To introduce and amend existing provisions in the District Plan to enable the airport to provide for its future growth through managing the effects of aircraft noise on activities sensitive to aircraft noise.

### **Where can I view the decision?**
