# Introduction

## OUR VENUE PRICING GUIDE

This guide sets out the fees and charges for Queenstown Lakes District Council's Sport & Recreation facilities, fields and services. We charge for the use of venues as guided by Council's revenue policy and the prices are there to recover a small portion of the cost directly from the users of facilities.

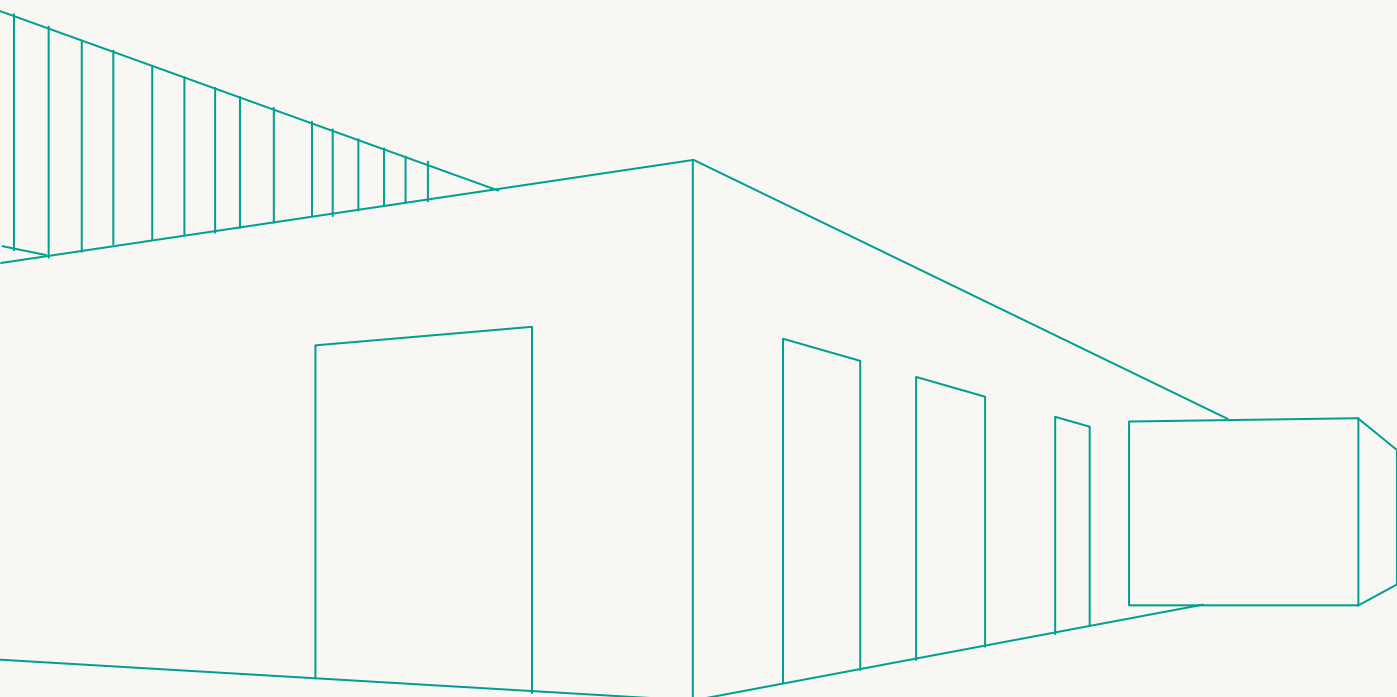

There are three different rates to accommodate the various groups that hire our venues. QLDC recognises the need to subsidise the costs of facility hire for local community groups and to minimise the costs of participating in sport and recreation.

## SUPPORTING SCHOOLS

QLDC supports the use of community facilities by local schools and will provide each local school with up to six days per annum of free hire of any sport and recreation venue administered by Queenstown Lakes District Council subject to availability.

## SUPPORTING SMALL BUSINESS PROVIDING COMMUNITY RECREATION

QLDC recognises the needs of small businesses who provide local community recreation opportunities consistent with QLDC's participation objectives. Examples of these are small businesses with a focus on recreation and sport activities.

# General notes and definitions for venue hire

There are a number of general notes and definitions that will be useful to any potential hirers of QLDC venues. Here are some definitions on our rates and which one might apply to you and your event:

- > The **Community** rate is available to: a local incorporated society, schools, not-for-profit sports, small community business providers, art or cultural groups hiring the facility for a charitable purpose. Proof of your charitable status may be required before hiring our venues.
- > The **Standard** rate is for private hire for private use where tickets are not sold and no other trading is undertaken – for example weddings, casual volleyball games and personal parties.
- > The **Commercial** rate will apply to any other hire that doesn't fit the above

## ADDITIONAL CONSIDERATIONS

When hiring our venues it is important to consider the following:

- > A full day is defined as any booking of 7+ hours.
- > A half day is defined as any booking for up to 7 hours.

Pack in and out times are charged at a 50% discount full rate. Any damage to the facility or ground is on charged to the hirer at cost plus 25% to cover staff time.

All hire charges include GST.

## YOUTH CAN PLAY FOR FREE!

Do you have a youngster at school? Did you know that free play is allowed on any court or field at Wānaka Recreation Centre, Paetara Aspiring Central and Queenstown Events Centre. This depends on court availability, when the courts are free of bookings then freeplay is allowed.
