

NORTH WĀNAKA PUMP STATION AND WASTEWATER MAIN UPGRADE

Work is underway to construct a new wastewater pump station on Beacon Point Road. There will also be upgrades to the pressure main (wastewater pipeline) along Beacon Point Road, Lismore Street and Wānaka-Luggate Highway, as well as upgrades to the gravity main (wastewater pipeline) along Waimana Place, Beacon Point Road, Aubrey Road, Wānaka-Luggate Highway and Albert Town-Lake Hāwea Road. Construction is expected to commence at the end of February 2021. The project is a key part of Council's plan to accommodate growth and provide more resilience across the district's wastewater network.

2021	FEBRUARY	MARCH	APRIL	MAY	JUNE	JULY	AUGUST	SEPTEMBER
------	----------	-------	-------	-----	------	------	--------	-----------

- Construction of a new wastewater pressure pipeline
- Construction of a new wastewater gravity pipeline
- Construction of a new wastewater pump station on Beacon Point Road
- Existing wastewater pump station in Albert Town

We appreciate your patience while we complete this important infrastructure upgrade. If you have any enquiries about this project please contact us on **03 441 0499** or email **services@qldc.govt.nz**
