## Consultation on Proposed Changes to User Fees and Charges

Queenstown Lakes District Council has completed its annual review of user fees and charges and is now seeking public submissions on proposed changes.

Council provides a range of user pays services throughout the district. These fees and charges allow Council to pass on some costs to those who use and directly benefit from these services and facilities, reducing the amount of funding that needs to be collected through rates.

Following a review of income for the 2024-2025 financial year, adjustments have been proposed for the following activities:

- Environmental Health
- Sport and Recreation
- Community Facilities
- Library Services
- Planning
- Parking
- Jetties and Moorings
- Wānaka Airport Landing Fees
