Hi Robert,

Thank you for your e-mail / photos.

Apologies for not getting back to you sooner.

There are set pre-approved HPMV routes around the district. Over Hawea way one set route is Gladstone Road – Cemetery Road – Domain Road – Capell Ave – SH6.

There is no approved route through Lake Hawea town itself.

I will chase up on this and the other issues you have raised.

You mention H.W.R Richardson as the instigator. Your photos show different companies involved so do they all fall under the Richardson umbrella regarding HPMV's in this area?

Regards

Tony
