Proposed Plan Change 36 – Wanaka Industrial Extension

Queenstown Lakes District Council is consulting on a proposed Plan Change to extend the existing industrial area in Ballantyne Road, Wanaka.

The Council has identified a Proposed Plan Change to extend the existing industrial zone as a priority. The need for a Plan Change was first identified by the Wanaka 2020 process and subsequently the Wanaka Structure Plan, which define the new areas that will need to be developed to meet the township's future needs.

A brochure outlining the proposal and how to have your say is available from the Council website www.qldc.govt.nz, or Council offices and Libraries district-wide.
