SECOND PROCEDURAL MINUTE FOR STAGE 2 HEARINGS

1. In the first Procedural Minute for Stage (1 May 2018) we set out timetables for the receipt of council reports and lodgement of evidence and rebuttal evidence for each hearing stream. It has become apparent during the Stream 14 hearings that the directions in these timetables were not sufficiently clear. The purpose of this Minute is to remedy that for Stream 15.
2. The requirement for submitters' evidence to be lodged in advance applies to all evidence, and is not restricted to expert evidence. The Notice of Hearing is in error where it refers to this applying only to expert evidence. In addition, lodgement is to be by 4pm on the date specified in the timetable.
3. We also reiterate our request that any legal submissions to be presented, including any casebooks, be provided at least 2 working days prior to them being presented. These should also be filed prior to 4pm on the relevant day.
4. Finally, while we will automatically allocate 10 minutes of speaking time, along with 5 minutes for each expert presenting supporting evidence, for each submitter, where any submitter considers they would require additional time, they should request it. We will attempt to accommodate such requests when forming the hearing timetable.
5. In summary, the remaining timetable for Stream 15 is:

Submitters' requests for hearing time to be lodged no later than:	4pm, 3 August 2018
Submitters' evidence to be lodged no later than:	4pm, 6 August 2018
Rebuttal evidence to be lodged no later than:	4pm, 22 August 2018

Hearings commence:	10am, 3 September 2018
