Thankyou.

Can you clarify if we are accompanying panel members on the site visit. That is my preferred option and below is the route to be taken. Van transport can be provided from pick up site and return with a relevant dialogue to validate the site visit as outlined below:

Van pick up at street carpark outside Wastebusters Wanaka...proceed south along Riverbank Rd...right turn along Orchard Rd...cross Cardrona Valley Highway into Studholme Road South to a elevated platform on Huia tce. Return panel members to pick up point. Expected elapsed time 15mins.

Please confirm number of panel members participating and date and time.

Thankyou

Good morning Terry,

The Panel appreciates the clarification of the submitter's query regarding a 'rehearsing site visit'.

As referred to in our Minute 4 dated 22 April 2026, the Panel is likely to be assisted by submitters identifying those sites that they would like the Panel to visit. Further to the directions in the Minute (at section 12.0), it would be appreciated if you could also include a map that illustrates your recommended viewing location(s).

In addition, please advise of any requirements for site access.

Kind Regards,

Patricia
