Hi Julia,

ADDITIONAL COMMENTARY ON DISTRICT PLAN REVIEW

We believe the additional inclusions in regard to the airport in the District Plan under proposed policies 3.2.8 and 4.2.8, 4.2.8.1 and the deletion of 4.2.4.3 & 4.2.4.4 are beyond the original scope/ intention of the proposed District Plan and believe these additional amendments need to be notified to the general public, so that the wider public have an opportunity to comment on these suggested amendments / inclusions, and the potential affects that may have on the wider Queenstown / Frankton community.

Kind Regards,
