TERMS AND CONDITIONS

1. The purpose of a pre-application meeting is to facilitate communication between applicants and the council so that the applicant can make informed decisions about applying for consents, permits or licenses.
2. The views expressed by council staff in or following a pre-application meeting are those officers' preliminary views, made in good faith, on the applicants proposal. The council makes no warranty, express or implied, nor assumes any legal liability or responsibility for the accuracy, correctness, completeness or use of any information or views communicated as part of the pre-application process.
3. The applicant is not required to amend their proposal to accommodate the views expressed by council staff, nor to comply with any suggestions made by council staff. Further, it remains the applicant's responsibility to get their own professional planning and legal advice when making any application for consents, permits or licences, and to rely solely on that advice, in making any application for consents, permits or licenses.
4. To the extent permissible by law, the council expressly disclaims any liability to the applicant (under any theory of law including negligence) in relation to any pre-application process. The applicant also recognises that any information it provides to the council may be required to be discussed under the Local Government Official Information and Meetings Act 1987 unless there is a good reason to withhold the information under that Act).
5. Any assessment and administration time spent will be charged at the relevant hourly rates.
6. A list of Charges and Fees is available on our [website](#).

FEES INFORMATION

Any assessment including but not limited to time spent reviewing pre-application documents which can involve additional research prior to the actual meeting, time spent arranging the meeting and any additional tasks completed post the meeting and administrative time will be invoiced at the relevant hourly rates.

A list of Charges and Fees is available on our [website](#).

If an external consultant such as a landscape architect or other technical specialist (e.g noise or traffic specialist) is required, their time will be charged at that external consultants hourly rate.

Invoices will be sent monthly and are payable by the 20th of the month after the work was undertaken. If unpaid, the pre-application assessment, provision of a service, or performance of a function will be suspended until the sum is paid. Please be advised there may be a delay in billing for external consultants' time; Council has to receive invoices for that time before passing any applicable charges to yourself.

After pre-application discussions, if you decide to submit a resource consent an initial fee will be required and any associated charges will be billed separately from your pre-application charges.
