NORTH WĀNAKA PUMP STATION AND WASTEWATER MAIN UPGRADE

Work is underway to construct a new wastewater pump station on Beacon Point Road. There will also be upgrades to the pressure main (wastewater pipeline) along Beacon Point Road, Lismore Street and Wānaka-Luggate Highway, as well as upgrades to the gravity main (wastewater pipeline) along Waimana Place, Beacon Point Road, Aubrey Road, Wānaka-Luggate Highway and Albert Town-Lake Hāwea Road. Construction is expected to commence at the beginning of February 2021. The project is a key part of Council's plan to accommodate growth and provide more resilience across the district's wastewater network.

We appreciate your patience while we complete this important infrastructure upgrade. If you have any enquiries about this project please contact us on **03 441 0499** or email **services@qldc.govt.nz**
