

John and Jenny Milburn could not resist bidding on this huge block of Toblerone chocolate at the Rotary Club of Wānaka annual quiz night on Wednesday May 19. The event raised \$10,000 which the Club said would be donated to help children in the Pacific get critical vaccinations. The Rotary project, Give Every Child a Future was planning to protect 100,000 children from rotavirus, pneumococcal disease and cervical cancer across nine South Pacific Island countries over three years. "We are delighted to be able to make a contribution to the project Give Every Child a Future," said Rotary Club of Wānaka president Mike Elliot. "We had such good community support and the event was sold out. It was a fun night made better by the fact that we can help save lives."
