

35 Temporary Activities and Relocated Buildings

Please Note: Variations to parts of this chapter have been decided by Council on 7 March 2019 as part of Stage 2 of the PDP. You can view the Stage 2 Decisions, appeals and section 274 notices on our website. The appeal and section 274 periods for the Stage 1 and 2 Decisions have closed.

35.1 Purpose

The purpose of the Temporary Activity provisions is to enable temporary events, filming, construction activities, military training, temporary utilities and temporary storage to be undertaken, subject to controls intended to minimise adverse effects. The provisions recognise that temporary activities, events and filming are important to the economic, social, and cultural vitality of the District, and are therefore encouraged.

The Relocated Building provisions primarily seek to ensure that the reinstatement of such buildings is compatible with the surrounding environment and amenity. The requirements of this chapter enable matters to be considered in addition to any specific controls for buildings and structures in the Zone Chapters and other relevant District Wide Chapters.

35.2 Objectives and Policies

35.2.1 Objective – Temporary Events and Filming are encouraged and are undertaken in a manner that ensures the activity is managed to minimise adverse effects.

Policies

- 35.2.1.1 Recognise and encourage the contribution that temporary events and filming make to the social, economic and cultural wellbeing of the District’s people and communities.
- 35.2.1.2 Permit small and medium-scale events, subject to controls on event duration, frequency and hours of operation.
- 35.2.1.3 Recognise that purpose-built event facilities are designed to cater for temporary activities.
- 35.2.1.4 Recognise that for public spaces, temporary events are anticipated as part of the civic life of the District.
- 35.2.1.5 Require adequate infrastructure, waste minimisation, traffic management, emergency management, security, and sanitation facilities to be available to cater for anticipated attendants at large-scale temporary events and filming.
- 35.2.1.6 Ensure temporary activities do not place an undue restriction on public access.
- 35.2.1.7 Recognise that noise is an anticipated component of temporary events and filming, while protecting residential amenity from undue noise during night-time hours.
- 35.2.1.8 Enable the operation of informal airports in association with temporary community events and filming, subject to minimising adverse effects on adjacent properties.
- 35.2.1.9 Require all structures associated with temporary events and filming to be removed at the completion of the activity, and any damage in public spaces to be remediated.
