- 1 The parties listed in **Appendix A** to this Notice (**Parties**) wish to be parties pursuant to section 274 of the RMA to the following proceedings:

Slopehill Joint Venture v Queenstown Lakes District Council (ENV-2019-CHC-074) (**Slopehill Appeal**) being an appeal against decisions of Queenstown Lakes District Council on Stage 2 of the Queenstown Lakes Proposed District Plan (**PDP**).

- 2 The Parties are persons who made a submission about the subject matter of the proceedings.

- 3 The Parties are persons who have an interest in the proceedings that is greater than the interest that the general public has, in particular:

- (a) The Slopehill Appeal seeks a number of amendments to the provisions of Chapter 24 (Wakatipu Basin) and Chapter 27 (Subdivision) relating to, notably, the provision for rural living opportunities in the Wakatipu Basin, the rule framework relating to existing and future buildings, the standards which apply to buildings, assessment matters, minimum lot densities, and the default activity status of subdivision.

- (b) The Parties are each landholders with interests in land within the Wakatipu Basin. Each of the Parties lodged submissions and appeals in their own right, seeking similar relief to the provisions of Chapter 24 and Chapter 27 to that sought in the Slopehill Appeal.

- (c) Given that the provisions of Chapter 24 and Chapter 27 govern what the Parties can and cannot do on their land from a planning perspective, the outcomes of the Slopehill Appeal have the potential to directly affect the Parties' interests in their land.

- 4 The Parties are not trade competitors for the purposes of section 308C or 308CA of the RMA.

- 5 The Parties are interested in all of the proceedings.

- 6 Without derogating from the generality of the above, the Parties are interested in the following particular issues:

Chapter 24 (Wakatipu Basin)

- (a) The relief sought to amend, delete, or make additions to the provisions of Chapter 24, including the zone purpose, objectives and policies, advice notes, rules, standards and assessment matters.

Chapter 27 (Subdivision)

- (b) The relief sought to amend the provisions of Chapter 27, including Rule 27.5.9 regarding the default activity status of subdivision in the Wakatipu Basin Rural Amenity Zone (**WBRAZ**), the minimum lot densities for the WRBAZ and Wakatipu Basin Lifestyle Precinct, and relevant the assessment matters.

- 7 The Parties support the relief sought, insofar as it is consistent with the relief sought in each of the Parties appeals, because the amendments sought to Chapter 24 and Chapter 27 better provide for existing building rights, enable appropriate further development, and achieve better planning outcomes.
- 8 The Parties agree to participate in mediation or other alternative dispute resolution of the proceedings.
